

Checklist for BSc (Hons) Medicine students

This checklist is intended for use alongside web pages and other resources. You may find it helpful to print a copy and tick off things as you do them.

1. University New Entrants Web Page

- Look at the University's New Entrants and Orientation web pages
- Organise accommodation
- Ensure you have received your University email account
- Ensure the University knows about any special needs you may have, for example because of a disability
- Pay Fees
- From August – complete online matriculation

2. School of Medicine & Flying Start Web Page

Things to do:-

- Read the "Protecting Vulnerable Groups Scheme" letter and **pay the fee** prior to coming to St Andrews
- Complete and return the Occupational Health Questionnaire
- Read, sign and return the Standards of Fitness for Entry to and studying Medicine (HEOPS statement)

Things to read/look at:-

- Advice on text books
- Advice on computers / printers
- School of Medicine Agreement (but don't sign it yet)
- St Andrews Medic Fresher's Facebook page
- Look at the School's Orientation week timetable

3. Things to bring – original and a copy of the following:-

- Passport
- Birth certificate
- Driving licence (if you have one)
- Immunisation history
